

When the Song of the Angels Is Stilled

Howard Thurman

SATB a cappella

Elizabeth Alexander

*When the song of the angels is stilled,
When the star in the sky is gone,
When the kings and the princes are home,
When the shepherds are back with their flocks,
The work of Christmas begins:
To find the lost,
To heal the broken,
To feed the hungry,
To release the prisoner,
To rebuild the nations,
To bring peace among brothers,
To make music in the heart.*

Howard Thurman (1900-1981) spent most of his life engaged in the work of Christmas. In his early professional life, he was professor of religion and director of religious life at Morehouse and Spelman Colleges, and later was dean of Howard University. In 1944 he moved to San Francisco to co-found the first integrated, multi-cultural church in the United States, The Church for the Fellowship of All Peoples. In 1936 Thurman led the first black delegation to Southern Asia, where he was profoundly affected by his meeting with Mohandas Gandhi. His 1949 book, *Jesus and the Disinherited*, inspired nonviolent civil rights movements in the United States and throughout the world.
